JAN 1

Hopedale Nurseries,
Hopedale, Illinois.
December, 31, 1931

Our seed orders being filled, we offer you the following surplus at a low price. Times are tight. Why not cut expenses by growing your own seedlings. We all must figure to get by as cheaply as possible now.

Don't delay ordering. A week after the list is in the mails, many items will be sold up. Don't be disappointed.

TERMS: 20 Days net; 5%, 10 Days; 5% cash with order amounting to \$10.00 up.

Most of these seed are unusual-not obtainable thru the regular channels.

We have some 1930 crop seed in many of these at a reduced price. Will quote promptly on your inquiries. Also samples of the '30 crop will be sent for your inspection, if you wish it.

Native plants are growing popular and not obtainable in the regular market. This is your chance to add dollars to your profits.

ORDER SOON TO AVOID DISAPPOINTMENT.
